In addition to being field chair, lure operator, ASFA judge, field trial secretary, and Afghan breeder, Deann Britton has been a CLCA member, officer, and participant for enough years, that she agreed to give us some insights into how the club came to be, the various venues it has used to conduct competitions, and a little bit about the Grand National and the ASFA International Invitational that the club has hosted throughout the years. She'll let us know what goes on behind the curtain (so to speak).
